Subject:- Provision of a Railway Station Vandal.

Reference:-G.L.P.W.D. No.Rly.- 2653 - M dated 30-3-1953.

Vandal is a village in Bagewadi taluka, in the Bijapur District ~~or~~ by the side of the Hotagi Gadag Railway (S.R.) line.

2. The village Vandal has a population of about 2300 and the people are mostly weavers and agriculturists. Vandal and surrounding villages produce Jawar, Bazari, wheat, cotton and ground-nut, and the villagers find it convenient to export the materials, if a railway ~~station~~ station is opened at Vandal. The existing railway stations viz., Telgi and Alimatti are situated at a distance of 4½ miles and 5½ miles respectively from Vandal and surroun-ding villages. There are no communications from Vandal or from other villages round-about to Telgi or Alimatti station. In the Road planning of this District Vandal is proposed to be connected to Alimatti with a village road.

Sir,

With reference to your letter dated nil, addressed to the Deputy Minister, Agriculture and Forests Department, on the above subject, I am directed to state as under:

1) Supply of yarn to the handloom owners at Vandal: If the handloom owners of Vandal require any yarn they may put in their indents stating the counts and number of bales of yarn required by them, and place a deposit of Rs. 100/- per bale along with the indent, to the Office of the State Textile Controller, Bombay. Dear Sir,

Sub: Provision of a Railway station at Vandal.

Ref: Your letter No.RLY.2653 M. of 25/6/53. P. 23

With reference to your letter quoted above, investigations made recently disclosed that the traffic expected to be dealt with at Vandal and the anticipated earnings thereon do not justify the provision of even a train halt. It is considered that there is no justification at present for the provision of a pucca station at Vandal.

Yours faithfully,
